

Lester "Cub" John Baer

November 21, 1920 - November 4, 2016

Lester "Cub" J. Baer, Lt. Col. (Ret.) USAF, 95, a resident of Moses Lake since 1970 passed away Friday, November 4, 2016 at Samaritan Hospital, his family at his side.

Cub was born in Dubuque, Iowa on November 21, 1920, son of Bernard and Cecilia "Honey" (Grosstick) Baer.

He was a decorated Army Air Corps USAF B-24 pilot in WWII, Korean War, Cuban Crisis and the Vietnam Conflict. “ One would think being in a family for 30 yrs. that I would have have a lot of memories, but I don't : (My memories of the first and only time I met you happened at year 28 when we flew up for Thanksgiving 2014. We drove up to your place with Lee and you let us all, even the kids crash at your place. KFC was waiting for us. We watched the home movies over those few days. Had Thanksgiving dinner, to which I wish there were many more. You even put up with the toddler who puked all over your house for some reason and you n I trying to get the stuff in the washer. Last, but not least, we ended the visit with a trip to your breakfast place, to which you took the tab. The only other memories I have will have to come from my kids who got to see you a bit more often and am honored to have been able to pass on the name of Lester John Baer in my L.J III

“ He was everyone's hero. One of my favorite things to do was listen to his stories listen to his little quirky sayings. Grandpa loved the outdoors he loved his morning walks he loved eating out. And taking family on a tour of what he called Moses Gultch. Grandpa wasn't big into surprised company but I did it anyway. I loved seeing the look on his face. There are no words I can express how much he will be missed. I have many amazing memories for my summers there. Between Grandpa Cub and Grandma Camilla and Aunt Shelly. I have so many beautiful memories. I will miss you Grandpa and love you. You were a great husband great father grandfather a a great grandfather and even a great great grandfather. I love you.

“ I remember being real little when he went hunting for pheasant, and remember him cleaning them in the kitchen like it was yesterday, and every once in awhile, I can still smell it. 🤤
