“ Tommy, I was so sorry to hear about Lewis! I know he has been having such severe health problems for a while. He was a fun person and I loved exchanging 'barb's' with him when I seen him, as you know. If we ever start bingo at the center again, I hope you come down and join us. My prayers and thoughts are with you and family.

“ To Toni and family. We are so shock and sorry for the loss of Lewis. He was a great story teller. We used to live next to them on Evelynn. As well as we enjoyed visiting with him playing Bingo at American legion. He had a list for cars and loved his EICamino. Heaven gained a great talker that's for sure. He is free from any ailments now.
