“ Her name fit her perfect, was my first thought's of Lillian. Her yard was full of flowers, most of all Lilly's. She had almost every kind of flower one could grow. She once mentioned to me, "Shelly, I don't have wisteria in my yard." Later that year I brought her a tree and planted it,she was so happy. This was a very special lady, I will miss her dearly. I feel blessed to have met her. And she'll always be in my heart.
