

Linda Diane Brumet

April 23, 1951 - February 18, 2026

Linda Diane (Spray) Brumet, 74, passed peacefully February 18, 2026, at Brookdale Hearthstone, from a terminal brain aneurysm, with hope and promise beyond this life.

Linda was born April 23, 1951, in Alameda, CA to Claude and LaVonne (Rogers) Spray. The family moved to Moses Lake in 1955, lived in Honolulu, HI for Linda's 4th-6th grades. She graduated from MLHS in 1969, and Beauty School. Linda was creative and artistic and loved cats.

Looking for a challenge, she joined the WA Army National Guard and completed basic training in Jackson, MS. Upon returning to WA, she worked in banking and regrettably left the Guard. She managed a busy escrow office in Bellevue. At the age of 31 Linda suffered a cerebral stroke, and she was unable to work. She advocated for stroke survivors and received a Certificate of Appreciation from Governor Booth Gardner for serving on the Governor's Committee on Disability Issues and Employment.

While helping with the MLHS class reunion she reconnected with classmate Jerry Brumet. They married in 2009 and lived in Blaine, WA where Linda made many lasting friendships. Jerry passed in 2014. Linda had many great memories of she and Jerry boating on Birch Bay.

Linda leaves behind her beloved sister Cindy Alporque, nieces Tiana (Robert), Amy (Brendan), great-nephew Kai, great-nieces Kona, Meilani, Athena and Kalea.

Linda's family deeply appreciates the tender care shown her by all at Brookdale, and in adopting her beloved kitty, Lincoln.

“ I met Linda in 2012 through her husband, Jerry. I did her hair every Friday since then. We laughed a lot and we cried. We became friends and shared secrets. I miss her. God needed another angel.
