“ Dave, if you need anything, and I mean ANYTHING, please let me know. Linda was a wonderful ray of sunshine in an otherwise dreary world. Her sense of humor, and wry smile will be missed. You are in my thoughts and prayers. I know you are strong, Dave, but it's o-k to ask for help when needed! Trudy

“ She was my fourth grade teacher at North Elementary. She was a kind, beautiful woman who helped me realize my true potential. The universe gained a beautiful star with her passing. -Kassandra Wareham

“ I was saddened to see Linda's obituary in the CBH. We taught together at North Elementary from 1977-79 and I have great memories of our time as colleagues. After I left North, I saw Linda on a number of occasions and she was always cordial and fun to visit with. She was quite a lady; full of spunk with a lively wit. I know she will be greatly missed and extend my deepest sympathies to her family.
