“ Lloyd, Although we only knew you a short time you will be greatly missed. AJ and I enjoyed getting to know you in August and September and wish we could have had more time to know you better. AJ thought his uncle Lloyd was a pretty cool guy and was sad to hear you had passed. In just a short time you left a wonderful impression on him. We have talked since your passing and he learned a wonderful life lesson from you, selflessness. He did not even know you were ill. You never carried on like you were. Your sense of humor was always intact when AJ was around. Who would have thought in such a short time this could happen, but it did, and I thank you. Rest in peace.

Juanita and all of Lloyd's family, You have my sincerest condolences. I hope that peace and comfort are yours' soon and that fond memories of the person he was lightens your hearts and lifts your spirits. You are all in our prayers. God bless you all.##imported-begin##Amy Fekkether##imported-end##
