“ As a kid from a divorced family, going to the Lybbert's was always so heartwarming. The love, crowded kitchen, food, and just being accepted was a gift I have long treasured. My heart goes out to you all and he will be missed. But happy that he is with your mom now.

“ I am so sorry to hear of Loren's passing. Loren made the last days of my own father much easier. He came to Dad's home to cut his hair! Dad was too weak to go to the shop! What a lovely thing to do. I will never forget his kindness.

“ My heart broke when I heard that Loren passed but my heart was happy that he was with his wife again. True love! As kids growing up at the Lybbert home, we were just one of his kids. We respected their home and their values. Great parents to a great group of kids, including the Mae Valley gals. Thank you Loren for helping to mold us all with your being.

“ What a nice man, he cut my son Lars hair from the time he was 2 years old. We always enjoyed a visit with him, watching the oldies shows on his shop TV. Heaven gained a fantastic angel! He was a “cut” above the rest. Prayers and comfort all family.

I just read the obituary of Loren and my heart feels so sad. I have known this wonderful man since we were so very young. Although I had not seen him for a few years now I always remember what a kind man he was.He stopped in for a visit at our home with his brother Verl on their way back home after July 1st celebrations in Raymond Alberta. My husband Jack and I loved their visit. My condolences go out to all his family.

Love from a Canadian cousin Hazel Ralph.
