“ My regards to David. I loved your mother and had so much fun working at the telephone office with her. She would let me wear her fur coat during my lunch hour walking the streets of Moses Lake thinking I was Mrs. Astor. I got to attend her birthday party recently and I will always remember her.##imported-begin##Klink (Klea Fae) Wright##imported-end##

“ I was so sad to her the news. What a truely wonderful lady. So enjoyed her sense of humor and am very grateful we go to share in her birthday party a few months ago.

Thinking of all of you and wishing you the best.
