“ Thinking of all of you during this time of grief. Louise was a very special lady and when we visited her recently she, she wanted us to sing the hymn, "I have made my choice forever." I would like to think that heaven is a richer place because Louise is there. With every kind and caring thought going your way these days. “ Pam, John and family
I am so sorry to hear about Louise. She was such a sweet and kind young lady. I remember her 90th birthday party at your home. She was so adorable and I loved watching her enjoy the music and tapping her feet as if she just wanted to jump up and dance. Yes she will be missed so much but she is really up dancing now. “ Dear Family;
I am the oldest grandchild of the Carpenter family. I remember Aunt Louise holding me as a baby. She and Uncle David were always so good to our Eggleston family. They would come to our family farm to visit often. Aunt Elizabeth Carpenter would take us to visit sister Louise and family in Minnesota. What fun we had. Rest in Peace Aunt Louise. We will always have fond memories of you. Deepest sympathy to you Uncle David and family.##imported-begin##Patricia Eggleston Doane, Roger and sons David, Todd & Kyle##imported-end##

“ *Aunt Louise was first known to me with traveling to Uncle David's farm in Minnesota. It was the pancakes for breakfast that she stacked on our plate that were most memorable.*

Our sincere condolences to David, and all the extended family for your loss. Whatever your beliefs, gather strength from their messages during this time of grief.
