“ So, sorry for your loss. I always enjoyed seeing Louise smiling. I know for sure I will see her again one day. I can imagine her dancing in heaven pain free. She was an amazing lady. I enjoyed Seeing her art work at the fair and the booths by McDonald’s. I’m so, blessed to have known her. I will keep you Dave and your family in my prayers during this difficult time.

“ Dear David, Connie, Teri, and family. Please accept my condolences for the loss of dear Louise. I knew her as the loving mother of my dear school friends, and came to know her as an adult, when we all reconnected on facebook. She was a light and a reminder of God's love, to so many, including myself, on facebook. I'm so thankful for the reconnection with Louise. I pray for God to bring you comfort and hold you close to Himself at this time. With great love, and respect, Kim Keyser
