“ To my 4 distant cousins. The last time I visited your mom and dad with my husband Chris from BC was over 3 years ago. Your parents were always such great hosts and would open their doors to anyone in need. Last time we visited, your mom was wheeling around on her chair making sure we had enough to eat and our every need was met. We shared lots of drinks and lots of stories. Your mom always made me laugh, I thought of her as a friend. Lucy was full of life and a little (maybe a lot) of spit and vinegar; she had a zest for life and family. I have thought about her a lot lately and am saddened I won't be able to talk to her again. Your mom had an infinite love for her boys and her grandkids, they were her life. My daughter fondly remembers your dad as the teddy bear who gave her rocks which were gems to her. I wish you all well and hope to hear from you soon. “ It was a pleasure to know Lucy. Gene had the opportunity to work with her at Sears, and they had a good time. She always had a good word to share with others. Thoughts go out to the family at this time of loss.

“ *Connie Cummins and her sister Jacqueline Smith are very sorry to hear of Lucy's passing. She was there for us .. always through so many of our hard times, when we lost our Dad, Vic, .. our brother Allan and our step-dad Eldon Haley .. Lucy always provided a shoulder to cry on and a gentle hand to wipe the tears. She was always just "there" when you needed her, that was Lucy. We will be proud to join you on Monday for her memorial.##imported-begin##Connie Cummins##imported-end##*
