“ Thinking of your family today as you say goodbye to Jan's mom. We know His timing isn't always our timing, but what a blessing to know that she is safe in his arms. Prayers for comfort and peace in the coming days and weeks.

“ Lu was such a big part of the block 40 community. The best part of working caves at Robbs was the meal afterwards. We will always be inspired by her kindness and generosity. Her spirit will live among us always.
