“ *Marjie - I was so sad to read about Mark. Mark hired me many years ago, as they called it then, as special Ed Aide in the behavioral department. I worked out at North Elementary with Mark and Diana Lewis. Mark was always so understanding and helpful and never too far away when help was needed. I was so thankful for the position he offered me and so thankful to work with such a dedicated man. My heart goes out to you and your family.*

“ *Dear Marjie,*

*I have thought of you and Mark often over the years. I have many great memories of you both. Mark hired me fresh out of college and I learned much from him as I navigated my first position as a Special Educator.*

*I've worked with more principals and Directors of Special Services over the years, but truly, Mark stands out. I am so grateful for the time I had working with him.*

*Much love to you,

“ *Marjie,  
It's been a long time ago, but have fond memories of working with Mark & benefiting from his gentle wisdom and valued advice. The district (Ben) made a wise decision in selecting Mark as Assistant Supt when I left ML. Jeff & I continue to treasure the years we spent in Moses Lake working with people like Mark, PJ, Monte, etc.  
Our best to you & your family.
