“ Rest In Peace sweet Maggie, your Louisiana family loved you so much. We didn't get to see each other because of the miles that separated us, but you were always in our heart. Our hearts are breaking for those left behind and we pray for peace and comfort for all of you, especially my brother, Don. Love your sister-in-law, Wanda

“ So many memories. Always made me laugh. Any time I was with her she would be up to mischief leading me astray. She had a heart of gold.
