

## Margie Eileen Barger

April 22, 1947 - December 23, 2025

Margie Eileen Barger, 78, of Moses Lake, Washington, passed away on December 23, 2025, after a courageous battle with cancer. She passed peacefully at home, surrounded by family and love.

Margie was born on April 22, 1947, in Renton, Washington, to Max and Eileen Bardessono. While still in high school, she attended beauty school and quickly discovered her joy for doing hair — a passion that reflected her creative spirit and love for helping others feel their best.

In 1966 at the age of 19, Margie married the love of her life, Dennis, and together they began building the family that would become the center of her world. They had three children and moved around quite a bit early on, then in 1981 settled in Moses Lake to pursue farming — a life that perfectly suited Margie's hardworking, caring, and devoted nature.

Margie was known for growing the most beautiful gardens, collecting antiques, and expressing her creativity through crafting, decorating, and cooking. Her home was always warm and welcoming, filled with laughter, love, and the comforting smells of something delicious in the oven. She cherished traveling and spending time with friends and family. Later in life, at the age of 43, she embraced a new career as a medical transcriptionist.

She was preceded in death by her beloved husband of 48 years, Dennis, her brother David and her parents.

Margie is survived by her children: Kim (Vern) Searcy, Brad (Melodie) Barger, and Lisa (Jason) Sheppard; her eight grandchildren, Carson, Brady, Brandon, Lucas, Eli, Tate, Ryan, and Ashlyn; her three great-grandchildren, Orion, Fiona, and Ezekial; along with many cherished friends and extended family.

Margie's kindness, warmth, and gentle spirit will live on in the hearts of all who knew her. She will truly be missed by friends and family.

A celebration of Margie's life will be held at a later date this summer.

Though our hearts are heavy, we are grateful for the beautiful life she lived and the love she gave so freely. Her legacy lives on in every garden that blooms, every family gathering filled with laughter, and every heart she touched.

Arrangements are under the care of Kayser's Chapel of Memories.

“ Hi, this is Brent Barger from the Brother of Leland side of the family and Edna. Your grandfather there was only two brothers. Your grandfather was Lyle Barger. I am grateful for my childhood with aunt Marge and uncle Denny even though if you look through the bloodline, it's not really an uncle and an aunt. It's more like a second cousin and a what not but not to me they were the dearest of family to me. I hate to say this, but I love aunt Marge a lot more than I loved uncle Denny because when I was 19 years old and I came up just before Brad went to the military with his cousin Bryon Barger and we drove through all the neighbors fences. Uncle Danny told me he was gonna shoot me. Lol 😊 that's actually a true story but if it wasn't for aunt Marge uncle Danny would've really shot me both of them hold my loyalty and gratitude for life and eternity as Lisa I'm sure you Kim and Brad hold the same and I can only imagine the pain I have not been to that aspect of my life yet as my mom and dad are still alive but believe me I've been through a lot of deaths and if there's one thing that grandpa Lyle and grandpa Leland expressed the most was a family was a very, very most important thing in this world go beyond your means to try and connect I love one another. You know you are my family. You are my immediate family. I love all of you. Please reach out if you need anything. We will be missing both margin Denny together down here in Oregon. We love you.
