“ Dear Brothertons and friends, I feel my Mom. Margaret Della Call Oman, having a nice reunion with her long time friend, Margaret Brotherton this week. When I was a young boy I thought we must be related because she had the same name as my mother. (jeje) Mrs. Brotherton was a beautiful lady with a rich personality and talent to link with those around her, especially Mom. God bless us all that we may live the good lives to be able to be with Margaret Brotherton in the hereafter. We celebrate that we have been able to know you and yours, margaret...
