“ *Such a strong and wonderful lady Marian was. She and Al helped me so much with their kind words and gentle ways when I lost my parents and younger brother. Seems they always knew just what to say. I remember going to Sunday School with the Briggs family, and I do believe the first baby shower I was allowed to attend was when Curt was expected. Dating myself, but I just want the family to know what an impact both Al and Marian had on me. RIP dear Lady.##imported-begin##Joan (Thaden) Lobie##imported-end##*
