“ *My great grandmother was the nicest I have ever seen. Her death hurt me more than anything in the world. Just like my mom, Shelley, she is now gone. Everyday I have a freedom, and the right to die. I miss her as much as I loved her. Tears would fill my eyes, but it's so long. My heart is in two. My stepmom has a lot of pics of my 2 year old brother than me, but I LOVE her anyway. I love my grandma a lot.##imported-begin##alexis##imported-end##*

“ *Dear Satakes, one and all, I am sorry to hear that Auntie Marian has passed on. All of the things you said in her obituary are true; Dad always said her sour cream sugar cookies were the Best, and I'm sure we all concurred. They had such tenderness and fragrance--uum. I always remember your Mom for her kindness, distinctive voice, and sweet pragmatism. Your Mom and Dad will always be an important part of my Montana and childhood memories.*

I apologize that we were not able to come to the memorial service. Mother is ill at the Cambridge and I was unable to find a driver. Tom Yamamoto would have come, too, but his car is not working. But I do not want you to think that your Mother is not well remembered. Your Mom and Dad, and your Uncle King and his family, were all a very important part of the group of Japanese Americans who settled in Montana.

Our condolences on your Mother's passing.

*Sincerely, Gloria Ogoshi##imported-begin##Gloria Ogoshi,
