“ Mark, I always totally enjoyed our talks, when we worked at Simplot. You were the Electrician on shift and I was the Supply Clerk. I always thought you were such a great guy (very respectful of others and just real nice). So sad to hear this. Such a shock. Prayers go out to the family. Mark, you will be greatly missed.

This is Mark Woodruff. He was a great guy with a great smile and an even greater laugh. Our childhood was somewhere between The Sandlot and Stand By Me. This is how I'll remember him....thanks for the laughs Mark. Until next time....

“ Mark, You will always be remembered as part of the "brat pack" in Lakeview neighborhood. We grew up playing until the street lights came on, hanging out at the park and teasing each other in the hallways. You will be so missed.

“ *There are some people you just want to be around although their need for privacy and the respect you have for them don't mix. Mark was a person who seemed to care too much, I hope he is in a place that is better suited for him, he is one of the few who have always deserved more. I will always remember people like Mark and try to live up to the grace he showed. Didn't know him as much as I would have liked and my condolences to anyone who had the pleasure. See ya on the other side 🙏*
