“ *My name is Michael Radach. Marland was my cousin (2nd). We attended school 6th-7th and 8th grades at Peshastin-Dryden until we moved away from the area. I remember when we were in the 7th grade, Marland rode the bus home with me because I needed protection from a bully. I have not had any contact with the family but I thought of him often and new he lived in Moses Lake. Time has passed by so quickly for our generation and the next Radach generation will carry on. God Bless the family of Marland, Rest in Peace Marland.*

*Dear Radach Family,
Our family moved to Dryden in 1944. We knew his parents well and they were Like "Salt of the Earth". Marland worked at Tilly Equipment for several months assembling machinery and delivering equipment. He was well liked by everyone that he met.*

I'm sure that Marland will be missed by all of you.

Sincerely,

Earl Tilly

We were a tight knit group at Peshastin Dryden High School, and though I haven't seen Marland for many years I remember him well. He was a great guy and will surely be missed.
