“ *Mary was one spunky lady. She was a beacon of light no matter the circumstances; strong even when her health failed her. We used to joke that we both moved into Hearthstone at the same time. She actually moved in and I started working there. I know that her family is sad now, but they have been blessed by this sweet soul and have many wonderful memories to treasure forever. Mary was a blessing to anyone fortunate enough to call her their friend.*

“ Mary was always one of my favorite Hearthstone residents. I loved it when she and her good friend, Pat, would come into Schultzie's for their Maple Nut ice cream cones. Always smiling; always upbeat. Beautiful lady; beautiful soul. My deepest sympathy to her family in the loss of one so dear. Lois Ferguson

“ My heart weighs heavy for the family. Your lives have once again changed. My heart sings for Mary. It's with Brave wings that she finally flies. So many memories to hold close and never forget. Mary you finally made it. Please give my mom a hug. Your smile and constant joking personality was such fun to be around. Watch over all of us and keep all our families in line up there until we are all together once again.

Hugs to Judy, Tim and Nancy, your mom was one of a kind that could light up a room.

RIP Mary

“ *I was saddened to hear of Mary's passing. Several years ago, my Mother lived here in Moses Lake for 2 years in an assisted living facility. Mary was such a beacon of encouragement and joy to us during that time. Despite serious medical challenges of her own, Mary would come by my Mom's table at mealtime, offer a smile and ask how my Mom was doing. She was always a joy to talk with and showed such concern for others. She lived her life with great courage and compassion.*
