“ Mary was a special person and friend. Loved her positive outlook on even the bad things that happened in life. She taught me how to look at life that way. She was and always will be my older sister. I will keep you in my heart and will see you again. Love you Mary!❤️##imported-begin##Cami Voss##imported-end##

“ Mary always had a smile for everyone she met, a loving person who always let you know how much she loved you and appreciated even the smallest things you did for her. She would move mountains to help anyone that needed it. I will miss her so very much as she holds a special place in my heart. I am comforted though, in the fact that I know she is with her toddy now, and that makes me smile. Rest in peace sweet Mary. Love you Mary- Melissa##imported-begin##Melissa knowles##imported-end##

“ My mom was the most wonderfully giving and forgiving woman. Always there for anyone who needed her. Although I will miss her everyday, I know she is in heaven with my brother Todd completely restored and loved.

Even though she was forever saying her teeth were crooked, she had the best smile.

I will always love you Momma, keep the coffee pot on, give my Toddy a smooch, and I'll see you in the blink of an eye (heaven's time).##imported-begin##Kelly Allers##imported-end##
