“ *Hoffman Family,*

*Our thoughts are with you at this time of sorrow. Mavis was a very sweet lady. She would always be working in her yard, and every time I saw her she would wave and smile. She is free of pain now and able to rest peacefully. Mavis will never be forgotten. She was very special and her memory will live on forever. Rest in peace Mavis soar with the Angels. Love the Garcia and Metzker Family.
