“ *Uncle Melvin (my Godfather) showed me how to play the drums when I was a little girl. Mom and Jim never did buy me my own set. Melvin was a huge influence to me with his love for vinyl records. He'd put a Michael Jackson record on, crank the volume and dance with me, belting out the lyrics together. He will forever be my favorite of Daddy Jim's friends and all the memories I hold of him will be cherished. Until we meet again. Much love Uncle Melvie! And warm wishes to those he loved and left behind.*

“ *I always enjoyed Mel's gregarious personality and I will miss the way he would always ask me about my kids and give me a dad hug when I would run into him at the post office.*
