

## Mesan Felix Ekoue-Totou

June 10, 2022

Mesan Felix Ekoue-Totou was born in 1996 in Boston Massachusetts and tragically passed away in Moses Lake June 10th, 2022. He was raised in Moses Lake, WA as the youngest of three boys to Foster and Kossiwa Ekoue-Totou.

He graduated from Eastern Washington University with a Bachelors in Exercise Science in 2021. His inspirations in life were to encourage those around him to reach their full potential through health, fitness, and food. Mesan worked as a physical therapy aid at Moses Lake Sports Physical Therapy. Mesan played an integral part in managing their family-owned restaurant, Mom and Pop's Diner as one of the primary chefs.

Some of the things he enjoyed doing in his spare time are working out with his friends, making TikTok videos, creating instrumental music, cooking, and developing his brand. Mesan had big dreams of creating a fitness platform to educate and inspire those in his community and around the world to reach their full potential. One of his major motivators was his family, they supported his dreams, goals, and aspirations.

He is survived by his parents Foster and Kossiwa, his two older brothers Folli and Kangni. There will be a funeral service on June 17th, 2:00 pm at Our Lady Fatima Catholic Church in Moses Lake, WA.

“ *My sincerest condolences go out to Mesan's family. Mesan was full of life and he had that incredible smile that would make anyone that was around him smile whether you were in pain doing physical therapy or just visiting with him. I enjoyed visiting with him and listening to his stories as he was working on me in physical therapy. He was a very smart and definitely likeable young man. May you rest in Peace!*
