

Michael Dean Clark

February 17, 1969 - June 5, 2016

Michael Dean Clark was born on February 17, 1969 in Everett, Washington. On June 5, 2016 he became a memory to all who knew and loved him. He participated in various athletic teams throughout his education- namely football, in both Warden and Moses Lake. Many recall Mike boasting about tackles, touchdowns, maneuvers, and teammates that grew to be his buddies. Mike was a hard worker- preferring to act as an independent contractor in the construction industry. He enjoyed four-wheeling in the sand dunes, fishing, and playing his bass guitar with his brothers and Clint in his spare time. It was always a good time, with good music and great friends when they'd get together for local gigs. He often bragged to others about his daughters and grandchildren, proud of their academic and athletic achievements.

His memory is survived by his mother Ardis Barnes; father Spencer Clark; brothers Bob Hash and Jim Clark; daughters Avery Clark and Amber Meader; son-in-law Ruben Benavidez; and grandchildren Kai and Kayden Benavidez; as well as many lifelong friends and extended family. Depression is a mental illness- his daughters would like to encourage those who suffer to seek professional help. Your life is valued.

A "Celebration of Life" will be held at the State Park, Saturday, June 18th from 5:00 to 8:00pm. Followed by "Remembering Mike Clark" at 1245 Pershing Rd, starting as early as 6:00pm for those not attending State Park and continuing to welcome guests as they arrive.

“ *I knew Mike clear back to our childhood from hanging out at the Clark/Goff house. We shared so many great times back then and again as adults. He had an infectious smile & laugh & a heart of Gold. I will miss your sweet smile Mikey. You will remain in our hearts forever. RIP my dear friend!*

“ I remember ALL the times Mike would make the whole fam smile, he'd bring the best smiles outta the ugliest of attitudes at some of the most precious of times. One thing I'll always re live, is how Mike would reenact a time/event that I wasn't around for, where this kid was saying "am I bleedin?" (In a super funny voice/accent) if you could've seen it live, you'd know that it was def a positive mood changer. I KNOW we shared far greater memories, and a few worse ones, but I shared this one, because it means a bunch to me. And to Bren Miller. We love you Mike, we ALL do. Always have, ALWAYS WILL.!!

Rest in Paradise Big Guy.!!

 Mikki Snead

I our lifetime we are lucky if we meet a few people who's only job is kindness. I believe this was Mike's job. Never was there a time that I saw Mike that he didn't have a smile, a kind word or funny antidote to share. I believe there is a very special place in heaven for him. I also believe that God knows when we have just had enough and it is time to come home. I cried for you and all of your friends and family this weekend. Said thank you for your time with me and said good-bye. We love you, we will miss you so very much and I for one cannot wait to see you again. Let your heart fly now my friend. All my thanks for who you are, mikki
