“ *Mike was my same age cousin, we were alter boys and classmates at St. Mary's. I have two great memories: One is where we had breakfast together at grandma Flemings house and had a contest to see who could eat the most toast. I don't think there was a winner as we went through the whole loaf. The other was when I gave Mike a Superman string puppet to go with his Howdy Doody puppet. We made a stage and came up with a crazy script, Superman vs. Howdy Doody! We were allowed to present it to the class on the gym stage. It was fun, and the class had fun with it. Playing in the "Big Ditch" behind his house was always a good time. Rest now in peace cousin. --- Tom*

“ *Mike had a tough struggle the last few years but always kept a positive attitude until his choice came down to lots of pain or lots of pain medication which he disliked. I am happy that his struggles are over and he is in no more pain. He was a great brother and I will miss him and his daily phone calls.*

Sorry to learn of your loss. Mike and I were in scouts together, work at Fleming Bros. grocery in the grades and it seems he was running produce out of Salt Lake city. I went to college, the service and our ways parted. He was a great friend and we had a lot of good times, double dates and memories together. I just now learned of his passing. Bless you all. Personal regards. Bill Lees, Missoula and Mesa

“ Mike(Dad), you are free at last. May you rest in peace now. We will never forget you, we loved you very, very much and I know you knew that. So, rest in peace. However. to all of you that were not there for him (except for this last year) You missed alot of time,laughs, and memories you too could of had to hold in your heart as we do. He was also a father to both of us, and we will never forget the great memories we will hold in our hearts forever. I especiallly will never forget the things that you have done to help us when we needed it. Always there to lend and ear when I needed you, and always with an open heart, and a good laugh. You were one of the best kinds of dads anyone could of hoped to of had, we will never forget you, we will greatly miss you, we are sorry for the way things were for the last year and I dont know why they were what they were, but I do know that you loved us and we loved you too and we know that dad. So untill we meet again may you live with eternal peace and happiness, and I will see you at the gates, both you and mom when I get there. I LOVE YOU! WE BOTH DO, Love always.....Gary and Nora Bowman(Oldest Stepson and Daughter-in-law, not mentioned in the notice) Eternal Peace, Love, and Happiness. R.I.P.
