“ *Mike has been my best friend for many years and was there for me during one of the hardest periods of my life. He was my rock to cling to and he helped me to find my strength and courage and to learn to trust again. With his wit and wisdom and stories of Old Dragon, he helped me to remember who I am. He will hold a space in my heart forever. I am so grateful that I was able to share his last few weeks with him. Fly high and free my friend. I'll see you amongst the stars again someday.*

“ *Michael Jennings help me to do the best I could when I first became a member of the FanBox family. He would read my blogs and correct any errors he found in my blogs, then give me advice on to make them better. He would always encourage not just me but everyone who knew him, to be better than we were because he saw more in us than we could ever see in ourselves. Love you Michael may God grant you a place in his house R.I.P.* ”

“ A poem from Michael's published poetry book "Vibrations of the Soul"

My Spirit Soars

*Our essence entwine, I am forever your,
The wind blows,
Through the weeping willow trees,
My heart softly flutters,
Upon its gentle breeze,
Each breath I take,
Each move I make,
Leaves me wanting more,
And as I feel,
Your warm embrace,
My spirit once more soars,
Moon beams dance,
Upon the tossing sea of grass,
My heart begins to pound,
And memories once more flash,
A love for all things,
Great and small,
Our love that has endured all,
As we touch,
We gently fall,
Upon the bed of wild roses,
Scattered all around,
These tears I shed,
Upon your face,
Have found your fingers,
That gently trace,
My lips quiver,
My hand begin to shake,
They are not tears of sadness,
Or hurt of any kind,
They are tears of joy,*

*And a love,
That is hard to find,
Our essence entwine,
I am forever mine,
As we rise and fall,
Like the waves upon the sea,
Our heart beats as one,
Once more my spirit soars.*

The last time I saw Michael, we were both in our teens. He was living in Vermont, with his mom and family. He had the sharpest wit and was quick to laugh and smile. Though many years had passed, we reconnected a few months ago on the internet. As sick as he was, he still had that same essence of caring and sense of humor. The world has lost a great and loving person. His passing has left a great big hole in the lives of those who loved him.
