“ I know you guys don't know me, but I dated Tyrell right after his 4 year stint in prison. I was naive and fell for his games, but it was a couple years ago and I don't hold grudges. From what he told me about all of you though, you sound like wonderful people with wonderful hearts and I just wanted the opportunity to let you know that all of you, even him are still in my prayers.##imported-begin##Katie Logan##imported-end##
