“ Dear Uncle Mike,

I am sorry we never got a chance to talk and tell you I was sorry about the argument that we had before you passed away.. I didn't find out til 4 days after the fact. And I lost it pretty hard. Just very glad that you went peacefully. Thats just what you wanted. You will be greatly missed so much. I love you and will see you again soon on the other side.

Love you,

Your Neice,
