“ One of God's great gifts was to be able to visit Michelle when she was awake and alert. We got to hug and express our love for each other and gladness that we were still close. She expressed that she was so thankful for everyone's prayers for her and her family. She was taking care of everyone even though she was the one in bed ill. What a trooper. Sure miss you and your hugs. May God comfort you everyday Arnold, Erika and Girls. I cherish the family photo she sent at Christmas. Love to you all.
