“ Ana, Tony, Gilbert, and Family, I am so sorry for your loss. Know that we think of you all and our prayers are with you from my family here in Watsonville. As sad as we all are, I know that my sister and your mom are up there reminiscing of the good old days. I hope that if you are reading this that you all remember when we were at your house on Bockius. I will never forget any of you, your grandparents and your mom. With much respect, Cathy Gracia, and Family.

“ You have been a part of my life for 26 years and we had some good laughs late at night when we were both tired and silly. Shared a lot of memories with Pokey, Jaimie, and of course all of the other grandkids. Mom will be happy to have you with her. Now the two of you can go dancing and you can find that boyfriend. Love and miss you Grandma Andy(Mom).
