“ *He was the cutest little blonde haired boy with a big smile. He grew into a fine young man with blondish hair and that same big smile. He was usually the first to show up at his grandma & grandpa's house when we came to visit. He brought little Madilyn. You could see the pride he had to be her dad. We love you Mitchel. “ *Everyone always said he was the youngest brother because of his size, compared to Matt. But he always had a smile. Always wanted to go do something, Only if I brought my dog along with me. Gonna miss seeing him around town! Miss you Mitch!*
