“ I was saddened to hear that Moises had passed away. I had Moises in my class when he was at Hiawatha. I will always remember his charming smile, his adventures and his misadventures. “ I worked with Moises at Western Polymer, and I just wanted to send my heart felt sympathy to his family. He was very quick to joke and have fun with people. He was a very nice young man- the world could use more kind hearted people like Moises. I am so sorry for your loss and hope that my message helps you to remember the wonderful things about him and to help honor him in death and your time of sadness and need.##imported-begin##Jessica and Douglas Hartman##imported-end##

“ *Amy and family*

I was sorry to hear of Moises' passing and am glad I got to spend a little time with both of you while he was at Samaritan Hospital.

There are no magic words that I can say to help you through your grief but please know that we at Samaritan that were priviledged to meet him feel blessed.
