Nicholas Ray Albrandt

12/21/57-7/24/22

On Sunday, July 24th, 2022 we lost the world's greatest papa. He was only 64 years young. He will forever be remembered by the family he left behind, especially his four grandchildren, Madison, Stella, Myles, and Perry. He was a loving father, grandfather, son, brother, uncle, cousin, and friend. He loved fishing. If he wasn't at home working on his lawn, you could find him out in his boat cruising the lake with a giant smile on his face. He was a die-hard sports fan who traveled with his friend, Alan, visiting baseball stadiums all over the country. He Loved baseball and he passed that love to his kids and grandkids. Nicholas Ray Albrandt was born December 21st, 1957 in Belle Fourche S.D. to Alex and Lorna Albrandt. He later moved to Moses Lake, Wa where he spent the rest of his life. He married Denise Beck in 1981, they had two children Bryan and Jayme. Nick worked for the East Columbia Basin Irrigation District for 41 years. He retired in June 2022 as the Moses Lake Water Master. While he loved his work, he was ready and excited for the next chapter of his life. He only got a few short weeks but he made the most of it by enjoying life the way it was intended with family, friends, fishing, and if he wanted to, doing absolutely nothing.

He is preceded in Death by his father Alex, his baby brother John and his brother-in-law Bruce. He leaves behind his mother Lorna, two brothers Mike(Robin), Randy, and four sisters Lisa, Sherry(John), Cindy, and Julie. His

children Bryan(Amber) and Jayme(John) and his grandchildren Madison, Stella, Myles, and Perry. His nieces Charlene, Melissa, Paige, and Taylor, and his nephews Blaine, Taegan, Cody, and Mathew. He also left behind numerous cousins and extended family. He was his happiest around his family and they loved him so much.

The next time you're watching the Mariners think of Nick and maybe they can get in the playoffs for him this year.

“ *I am heartbroken to learn about Nicks death. He was a wonderful man and coach. I knew him best when he coached "Blaze" with Alan Coulter. My daughter played on that team and we traveled to many places for tournaments. He supported each and everyone of those girls on the team and shared his knowledge of softball with them. He was kind man. I know he will be missed by the team and the parents of the girls. You are gone to soon. We loved you Nick and we won't ever forget you. RIP Janet Shearer Hurd*

“ We are so sad & sorry for your loss!! He was also the very best next door neighbor. There was record snow fall ur first winter in Moses Lake, Nick was outside cleaning our driveway & sidewalk everytime he did his, all without asking. He taught us lots of Moses Lake/Central Washington things. A great person to converse with about anything. Nick is already greatly missed. All our love to the family. Anita & Jerry
