“ My heart is saddened by the loss of this dear friend since kindergarten, no matter how much time separated us since graduation, when we met up with each other it was as though we picked up without a loss of time. Dear Nonie I will forever miss you, I know you're free, spread those wings & fly high, til we meet again my friend ❤️

“ My heart is sadden to hear the passing of Naomi. My deepest condolences to the family! ❤️🌹 May God embrace your families in comfort during this difficult time. I have known Naomi all my life since we were kids. In 1979 I was getting married in our neighbors back yard to my high-school sweet heart. We were 17 yrs old. Naomi played a great part of my wedding that year. She wanted my wedding to be perfect. She took charge in having my wedding cake made. She was persistent that I had to have a wedding cake. I remembered her coming with a great big smile yelling "The cake is hear"! carrying the wedding cake. She looked at me and said.." I am the Madrina of the cake.." I replied to her "Of course you are"! We both laughed. She was 18 years old at the time. Pictures were taken of us with my wedding cake. That was one of many great precious memories I will forever hold in my heart! ❤️ RIP Naomi 🌹💖 You will be so dearly missed. 😭
