“ I remember I would always sit on Grandma Fuhriman's lap when I was little and wriggle around and she would call me and my brothers little worms. She was a kind and caring grandmother and I couldn't have asked for a better one.###imported-begin###Jay Fuhriman###imported-end###

“ I remember when I would sit next to grandma while she was doing her crossword puzzles. I was always squirming around and she would say to me 'you little worm!'
I will always remember the good times we had together.

“ We have many fond memories of Norma. She was always willing to have a good chat. I could tell she took great pride in her grandchildren. She enjoyed watching the little ones play in front of her feet as she sat in her chair. I always felt a part of the family whenever I was around her.

Lots of Love

“ Dear Sister Fuhriman's family... My memories are filled with experiences with each of you. I loved your Mom and I knew she cared a lot for me, too. yeah.. She thought I was a little wild of an influence on you boys but she indulged me with good treats and some gentle counsel anytime I dropped by. And I was sure to give her a big "Oman Hug" each time I saw her at Church functions and school activities. Earl and Norma raised good, God fearing, dependable, friendly, talented young men. What better tribute to your Mom and Dad than what fine men you have all become? Brother Fuhriman (Earl) Thanks for being from Providence, Utah. My mom always felt a special link to your family because of common family ties in Cache Valley.. Jones, Bullocks, Hansens, Calls, Zollingers, Fuhrimans.. etc. And i personally thank-you for patiently waiting so many times when I had to get a letter out THAT VERY DAY to a young lady. Steve... You were such a fine musicians on the cello and you married Nancy who so many of us were sweet on. Lucky you! Stan and Charlotte.. i was inspired by Stan to learn to play the Bass Viol at BBCC. I have gotten acquainted with your kids over the phone or on Facebbok. Good job! Mark.. thanks for the encouragement and support you and Linda gave me when I started selling insurance. David. what a cute little guy you were growing up. Puni mayo po Ingliskia now that you speak Ruskia all the time? Alice and I would love to be at the service today. I know you will be in a special memory place in your minds and spirits as Brett conducts. All of our prayers will be with you to assuage the pain of separation that Sister Fuhriman's passing causes you. Love always, David Miles Oman###imported-begin###David Miles Oman###imported-end###
