“ Aunt Tootsie was so kind and never at a loss for words! For decades, she called my Dad every week to chat. He would occasionally be known to set the phone down, sneak off and return to find Toots happily chatting away. If it ever bothered her that he did this, she never once complained! We have missed living near the last few years and seeing her at holidays. She was the life of any party!

May you enjoy your eternal rewards you so deserve!
