“ *The angels led you safely home
but you left some things behind.
Treasured gifts beyond compare
those of a special kind.
You left behind your gift of love
you gave so faithfully.
You left behind the ones you loved
many cherished memories,
and from early dawn to setting sun
each day our whole life through
our heart will hold a special place
for memories of you.##imported-begin##Lalo & Frances

“ Olga was my best friend, my sister not by blood but by love. She knew me better than I knew myself. Without Olga I feel a part of me is missing. I miss her very much. I know God has special blessings for her and I feel comfort in knowing she is in Gods arms and not suffering any more. I love you Olga., My prayers are with your family now. We shared so many memories that I will cherish until my last day.##imported-begin##Jennifer Stephens##imported-end##
