“ *Olivia had a smile that could light up a room. The love she shared for everyone in her life is beyond words, the love and smile will forever live on thru her children, grandchildren and great-grandchildren.*

My wife and I have been truly blessed to have known Olivia. Olivia always told me how lucky I was to have such a beautiful wife, every time Olivia and I saw each other, that always brought a smile to my face. She always asked how our kids were doing and asked to see pictures.

She was an awesome strong woman who's strength will live on. Olivia I know you now dine in the presence of our Lord and Savior. I know you have been reunited with your one and only true love.

You once told me you wish you could have met my mom, when you meet her in heaven give her a big hug for me.

God bless the entire Pruneda family, rest assure your mom will be watching over each and everyone of you.

She is in God's glory now.
