Regardless Of her large family Oralía or Ama as she was always referred to by all her family always made time for everyone. She always provided support, counseling and love for her family. She and her husband Emilio worked tirelessly in the Moses Lake community to provide opportunities for their kids. She would proudly boast about all seven of her children being great mothers and fathers, with influence to change the world.

She was a very involved leader in the Cursillo Movement with the Catholic Church in Moses Lake, and developed deep and caring relationships with anyone she met and got to know. Our mother had the knack for making all her children, nephews, nieces, and friends like they matter most to her. She made you feel special with the brand of love that she gave. Ama gave so much love, because so much love was given to her and this is how she will be remembered by all of her family. “ *I didn't know Oralia as well as I would have liked but I knew her enough to recognize her wit and love for her family. Whenever our paths crossed - and that was usually at family events like weddings - she would smile at me and as her face lit up she would say, “¿Cómo está?” That simple greeting was almost always followed by a subtle joke or play on words that would leave me a few beats behind as I struggled to catch up.*

I suspect that she was thinking, “Okay güerito, let's see if you can follow my juego de palabras this time.”

Mi sentido pésame to Oralia's amazing family.

“ I have and forever will cherish this picture, this was the last time I saw my madrina Lala, my dad always referred to her as mi comadrita del alma, la quiero y la aprecio mucho, I talk to him on Saturday and I could hear the pain n sadness in his voice, saying "me duele muchísimo saber que se fue mi comadrita del alma y yo ya no puedo viajar para estar ayi con sus hijos 🧒🥹💔 y darle el último adiós..if there's one thing I have to be proud of in this family" Martinez Villarreal "it's the bond, the love and support the caring for one another, I'm so grateful for this modern technology that keeps us informed of happy moments and also sad moments it's all a part of being informed and recognizing our family💖💖 My Most sincere Condolences to all the Vela MTZ family May she RIP 🙏🙏

“ Anna, family and extended family, our deepest sympathies for the loss of this wonderful woman. I had the pleasure of meeting both of your parents over 30 yrs ago, I loved being around them and I still laugh when I remember conversations with them. Oralía was one of a kind. I loved them both. While lost to your sight she will forever be in your hearts.
Much love my friend.

“ My deepest condolences to the Vela family and friends. Oralia was a beautiful lady inside and out. I was so bless to have her as my madrina. I know I didn't see her as much but when we did see each other she will always pick up a conversation where we left off. She always had loving hugs to give and a beautiful smile to go with it and was always happy to see you. Madrina Oralia may God bless you in heaven and rest in peace. May the Lord be with y'all 🙏
