“ I remember my sister fondly, I smile when I think of her. She was my big sister and I love and miss her more than words could ever say. My favorite memory is when I went hunting with Pam and Doug; only to watch Ann Marie while everyone else hunted. I used all the drinking water to wash my hair...LOL Doug and Pam were great about it. They laughed at me, it was a good and funny moment in time. I will always treasure my memories with my sister.

“ It has been so long since I had seen Pam. When I knew her she was always willing to lend an ear, gave great advice and was an all around genuine person. I am sorry for the loss of her. My thoughts are with all of the family at this time.
