

Patricia Lee Goodrich

April 27, 1939 - December 27, 2020

Patricia Lee Goodrich, 81, of Moses Lake, Washington, passed away on December 27th, 2020, at Cascade Valley Adult Family Home. She is survived by her 3 children, Joni Schur, Donna Sanders, and Scott Goodrich, her 5 grandchildren, Heather Rummel, Whitney Goodrich, Katie Briggs, Shelby Schur, and Brandon Sanders and her 3 great grandchildren, O. Henry Rummel, Lyle Lewis, and Georgia Lewis.

Pat was born to Anne Manning and James Forman in Ellensburg, Washington. Throughout her life she shared fond memories she had as a young child spending time on the turkey farm with her brother Jimmy, her Nana, and mom and dad. She married Ivor K. Goodrich in 1955 and spent most of her young adult life raising her 3 children while moving around the country as an Air Force military spouse. In 1977, she relocated from Colorado Springs, Colorado to Moses Lake, Washington with her husband, Ivor.

Pat loved music, reading, nature, old movies and animals. She also loved to bowl. Pat was a forever fan of beauty and fashion. Her favorite time of the year was Christmas and it showed as she decorated the house from top to bottom celebrating the light and love of the holiday season. In her later years, she spent time with those closest to her and regularly attended outings with the antique club. Her friends would say she was gregarious and outgoing with a good sense of humor. Her most beloved talent in life was as a storyteller to her kids and grandkids. Though never recorded on paper, she crafted from memory amazing tales personifying creatures from nature complete with

individual voices, narratives, and clothing. These stories continue to bring joy, love, and laughter to our family and will be passed down for many generations. What a gift she gave us. Our hearts, though full of sorrow, are also filled with love and gratitude for having been blessed with her presence for 81 years and knowing that she is now free with her maker and loved ones on the other side.

We will conduct a service for Pat in the spring or summer of 2021. In lieu of flowers, please make contributions in memory of Patricia Lee Goodrich to the Dementia Society of America by mail to PO Box 600, Doylestown, PA 18901, or online www.dementiasociety.org/donate.

“ I have so many fond memories of my Granny Pat and Grampa Ivor. While this is incredibly sad for me and my family, I hope that they have found each other once again and are embracing, bickering, and laughing just as they used to. My grandmother had a true knack for storytelling. To this day, I think she could have written children's books with the stories she would tell us about the adventures of Kissy Bug and Billy Bee- hence earning her the loving nickname “grandma kissy”. I'll never forget listening to these stories with my cousins, playing Skip Bo in the kitchen, laughing until I cried from watching grandpa spell swear words in Scrabble, riding in granny's old Jeep, listening to Christmas music in the middle of summer, and going for the occasional and slightly terrifying plane ride with gramps. My grandmother was sharp. She had a great sense of humor. She was creative, loving, and tough all at the same time. I'll think of you always grandma kissy. Thank you for giving me such a wonderful childhood.

“ I just wanted to express my sympathies to Pat’s children and grandchildren. I know that even though we expect our loved one to pass, even though the passing is in many ways a blessing, even though we believe that they have gone to be in a better place, the void that is left in their absence is cavernous and full of sorrow.

Pat was one of my mother’s best friends during their youth. Mom (Dixie Goodrich) told many funny stories about their antics. Maybe they are chuckling together now...

I sure hope your memories bring you comfort through the waves of grief that will wash in and out over the coming months.... Know that we hold you in our prayers right now... Especially our dear friend/cousin, Scott and your daughters...

“ To the best Granny I could ever ask for! I am a better person because of her direction, love, kindness, and support. She was always there for me, and never failed to make me feel loved with her warm hugs or make me laugh with her Kissy Bug stories. Kissy bug (the lady bug she created stories about) really was one of my best friends it felt like. How lucky I was to have both Granny and Kissy in my life.

I love you forever and will miss you every single day. I know you are with Jesus now, dancing the boogie dance and telling stories to your family and friends you are reunited with. I will see you again someday, and cannot wait!

I did want to share a memory I had that makes me smile each time I think of her! One weekend I was over for a sleepover and Granny & I were coloring. Grandpa Ivor had fallen asleep in his chair and Granny had a big smile on her face as she took some markers and started to draw on him. I got in on the fun and we laughed so hard we could hardly handle it! Once Grandpa woke up and got over his annoyance, he had some giggles too. Granny then took me out for ice cream as we danced in the car and jammed out to Dolly Parton. This is just one example of how funny and young at heart she was. I could tell stories for days and days.

Thank you for always giving me a reason to smile, Granny! I love you, a lot. A lot. A lot.

“ *I don't know where to begin with sharing memories of my sweet Granny Pat. I'm so blessed to have been so close to her for all of my years so far.*

Granny and I had so much fun; laughing, sharing, shopping, watching movies, sleepovers, storytelling, etc. I asked her for advice often and she was always there for me. We always enjoyed spending time together and chatting. So much so that the clock would tick away and we'd realize we had been talking on the phone for 2 hours.

One of many of my favorite memories is Kissybug- the most mischievous, fearless, fashionable, and fun little ladybug. Granny created Kissybug and her friends. We'd laugh and laugh and laugh at all of Kissy's crazy adventures.

I am broken-hearted that she is gone, but know I will see her again. That brings me comfort. I'm so grateful that she is pain free, reunited with loved ones she has missed, and in Jesus' loving arms.

I'll love you and miss you forever Granny. Thank you for loving me so fiercely and unconditionally.

“ When I first met Pat a little over a year ago, she was very welcoming. She kept saying how much she loved me and she had only known me for a short time, which showed how she cared for people. It was great to bond with her and talk about Aerospace as that was something her late husband was involved in. We ended up bonding over John Wayne movies and watched them for hours last Christmas. My fiancé, Whitney, has always talked very highly of her Granny Pat, and it was my honor to have her in my life even for a short time. My parents and I send our prayers to the Goodrich family. God bless.

I have fond memories of get togethers shared with Pat and Ivar. Pat was thoughtful and kind. She was elegant and happy. Her and Ivar shared their experiences as landlords which inspired us. I wish we could visit again. My prayers are for the family at this difficult time.

“ I am so thankful and blessed to have known Pat. Her kind spirit, generosity, and love of life have truly been a blessing. Oh, and I can't forget the "to die for" holiday meals. She was one great cook!

My children were fortunate to have lived near Granny Pat (and Grandpa Ivor) throughout their childhood. She loved them unconditionally and was a HUGE influence on the young ladies they've become. I am so grateful for this - Thank you, Pat!

Pat's kind spirit shone through her beautiful, green eyes and her kind actions. I vividly remember getting a package in the mail many years ago from Macy's. When I opened it, I was shocked. There sat a small, unique purse I had admired at Macy's but didn't have the money to buy. Pat and I had been there a week before and she must have realized how much I wanted it. So, what did she do? She called them on the phone and had them wrap it up and send it to me. I should have known she was up to something when I saw that twinkle in her eye. Thank you, Pat!

Pat was young at heart and truly enjoyed life. I'll always remember how she would jump on a carousel every chance she got. I'll also remember how she beamed with excitement when my girls organized an Easter Egg Scavenger Hunt for her. Her love of life brought happiness to many. Thank you, Pat!

Although my heart is sad, I hold dear the many memories I have of you, Pat. You will be forever loved by so many down here, including me, but I know you are happy and at peace with our Heavenly Father.

“ Mom, I can hardly believe you are gone and that you went out the way you did all part of this awful pandemic. I have enormous gratitude to have been able to be with you in your last days. I am so relieved that your physical suffering is over and that you are now complete. You are forever in my heart. I love you.

Lord make me an instrument of your peace: where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy.

O divine Master, grant that I may not seek to be consoled as to console, to be understood as to understand, to be loved as to love.

For it is in the giving that we receive, it is in the pardoning that we are pardoned, and it is to the dying that we are born to eternal life.

Amen.
