“ Aunt Pat was a very special aunt she was always there to help anyone that needed help and expected nothing in return. She took me in and let me stay with the family during my sophomore year when my parents had to work out of town. Aunt Pat would make sure that we always had a hot breakfast before going to school each day. She was one of the hardest working women that I have ever met. We miss seeing her smile and we hope and pray that she is resting in heaven with the rest of the family. With all our love and prayers to aunt Pat and family.

“ I have countless memories of Pat but some of my favorites are all the gymkhanas she took us to and bringing me home my first horse 🐎. She was a huge part of my childhood and I'm truly grateful for all she did for me ❤️

“ I was just talking with someone about my old 4H leader Pat and he told me she wasn't in the best of health. My heart and prayers go out to her family.
