“ To Patricia and her family, ~ My heart is full as I know how much your family must miss you; yet I celebrate with you Patricia O'Brien for I know you are dancing in radiant beauty in the presence of our Lord Jesus; this is the picture in my mind when I think of you now. ~ You, your husband Don, your daughter (my best friend) Kathy, and others in your family circle have touched my heart and life more than you will ever know. ~ You are all a light of the Lord in so many spoken and unspoken ways; living proof that love does make a difference and that miracles do happen. ~ It gives me peace to know that one day we will all be celebrating as one perfect and beautiful family together for all of eternity. ~ Your love was and is a powerful influence and your light carries on in the wonderful family you created and cherished. ~ All my love and sincerity to you and yours.
