“ *It was wonderful to have him come down in 2017 to see his twin Paula. We then all went to Twin Falls for the annual family reunion. Paula will greatly miss him, as a piece of her is now gone. We will all miss him, he was a good man. Paula will not be able to attend the services due to health issues at home.*

*I was fortunate enough to know your brother and Diane. I was a caregiver for Diane. Paul was amazing. He was so patient with Diane. He truly loved her. I'm glad to hear that he grew closer to our maker. I really liked him a lot. You are 100)% he didn't share about his military honors. Amazing. They did share with me about the loss of their children. They loved their children and wished that they could reunite.*
