“ I also worked with Paul in Interiors many years ago; 1980's and early 90's. He was always willing to listen and help find solutions. I am glad that he got to enjoy almost a decade of retirement. My condolences to his family on their tremendous loss.##imported-begin##Karen Schwantes##imported-end##

“ I worked with Paul for several years and enjoyed them all. I remember the day he turned to me and said, "I think you may have finally changed my mind, I think I am turning into a Republican. It only took you 10 years." You will be missed. Thanks for being a friend.##imported-begin##Brett Price##imported-end##
