“ *This beautiful lady was my dear aunt Peggy, who always loved me and whom I adored. When we were young she provided us with games, songs and laughter, often bringing joy and acceptance to this lonely little girl.*

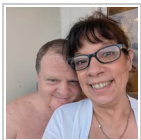

When her son, Blaine (one of my childhood kissin' cousins) called me a few weeks ago informing me of her hospice condition, I asked if I could call and he said most definitely, and that she would like that. I am grateful I had the opportunity to speak with her as we said our tearful goodbyes and how much we cared for and loved one another. This is a rare gift many of us do not have a chance to do. She was lovely and loving to the end.

Attached here is a photo that my granddaughter, Hattie, took while on our way through from Seattle to Spokane. And as always, she sent us home with a jar of her best canned peaches and a loaf of homemade bread. My heart will always remember you.

Bless you in your next journey sweet aunt Peg. ❤️ 🙏

“Peggy was such a special person! We have been close neighbors since my family moved to Mae Valley. The day we moved into our house, she sent Lynnette here with a warm loaf of bread. We have been friends ever since. I was saddened to see the obituary and know that my friend was no longer here, but I know she is with Jesus! My sympathies to the entire family.

“I called Aunt Peggy after my mother had passed away and asked her if she would be my mom for that day and she says I can't be your mom and your aunt don't be silly

“I enjoyed working with Peggy when she cooked at Longview School. And I had the pleasure of being the third-grade teacher of one of her many granddaughters - that would be you, Dawn!. Louis (AKA "Mr.") Logan

“ I will always remember our visits we had so much in common. We were years apart in age, but it was like you are my big sister.. we laughed, told each other our stories & I loved sharing my cooking with you at delightful Yums I would hear when you ate something I or my husband made. I am glad I got to see you even though it was short & give you the pictures I promised to make you before you left our world. But we all are going to miss you sweet Peggy you will always be a beautiful memory in my heart and mind. We love you God is welcoming you with open arms. Save a place for us all in Heaven 🙏
