“ Penny and Mike are dear friends. I only worked with Penny a few times, she was such fun to work with, her stories were always amazing. I will miss her so much.

Mike I hope your doing well and that your health is getting better. don't have anyone now to pass my best wishes on to for you. Every time I ran into Penny I would ask about you. Mike was the milkman for CBSS some years ago. He would stop and chat before I started work for the day. He was such a joy to talk to.

To Penny's family I leave my sympathy, prayers that your burden will be lightened. Penny will be missed.

“ Mike Gary and Thad. I am deeply sorry for all of you at this time. The heart is the hardest to heal when it has been been put through so much pain. I know that she is not hurting anymore but she left a big hole in my heart also. I will miss her more than anyone will ever know. On the outside she was tough but for anyone who knew her, she really had a heart of gold. I will miss her forever. Sincerely,
Wanda
