“ I believe Philo and I were friends as young children in school, Richland, in the early '50's . We were the same age, and lived in North Richland. I lived on Davison street in 1951.. We were about 9 or 10 at the time. Please reply if you think this is plausible.
Thank you,
Bill Wells

“ We were so sad to hear about Philo's declining health. He has always been right there at the bedside of the friends he cared so dearly for when they were ill. He would have been happy to know that he made such a impact on his friends and those he held closest to his heart. We were very glad that we got the chance to say goodbye to Philo. We will miss you Philo, thank you for being such a good friend to my family.
